

Imperial Order of Constantine the Great
Grand Prior General

27 September 2012

TO: Officers and Members of the Order
Grand Priory of the United States

SUBJECT: Appointment of new Prior

In concert with H.E. John Quiroz, Grand Prior of the United States, I am pleased to Announce the appointment of Sir Aaron Jubitz as Prior for the Pacific North West.

Sir Aaron will have responsibility for the Order of Constantine the Great and Saint Helen's business and activities in the states of Oregon, Washington, Utah and Idaho, and will report to the Grand Prior of the United States. He will also continue his duties as Sergeant at Arms/Marshal of the Order.

We want to take this opportunity to thank and salute Sir Robert Alan Keller, who efficiently stepped-in as interim Prior during our re-structuring following the untimely passing of His Grace Michael Schmickrath. Sir Robert – a brilliant wordsmith and expert on procedures – will continue his service to the Order as our Heraldic Archivist.

I urge all members to be on the lookout for our upcoming newsletter. It should be published early next week. In the meantime, thank you for your continuing support of our Order and its charitable programs.

Yours in chivalry,

Grand Prior General
