

We are a private group of people moved by the same common goals, knighted by the Grand Prior General. We are a charitable, pure and authentic Order, founded by a Noble as the Grand Master. A Knight/Lady will prefer honor before worldly wealth and be just and faithful and in both words and deeds.

The Order's Vision

- to perpetuate and expand the knightly virtues,
- to encourage intellectual rigorousness
- to recognize the exemplary conduct and achievements of its members
- to enhance society through our Leadership Program which nurtures, develops, and inspires the innovators of tomorrow

The Order creates a forum for the worldwide community by recognizing worthy men and women of exceptional accomplishment with an invitation to membership, without regard to race, religion, or nationality.

Through the work of our members and through our guidance of young people, we provide a model of leadership and strength of spirit which advances civilization at the same time, we promote the expansion of chivalric principles through fellowship with other knightly orders.

The Imperial & Charitable Order of Constantine the Great & Saint Helen is an Order of Knighthood, founded in 312 A.D., whose members are dedicated to the chivalric principles of personal honor, courage, integrity, duty, and service.

Though the Order was founded by a Christian, today the members are from all nationalities and religions. While we no longer are expected "to maintain a battle-trained horse, three lances and armor in good repair" after seventeen-hundred years, we retain our dedication to the concept which inspired those first knights to victory.

There is much confusion about the nature of Chivalric Orders in the USA and around the world. Many of the original Chivalric Orders arose in response to the Crusades, others originated due to the need for valiant Knights to serve and protect their Sovereign Lords, the weak and the less fortunate.

Our members' goals are to be affiliated with a Chivalric and Charitable Order of Knighthood, to develop loyalty, commitment and to extend a sense of belonging while improving the esprit-de-corp and to help the less fortunate. The Order is worldwide, and has Knights and Dames in 13 countries. We are autonomous and in no way affiliated with Eugene Lascaris of Spain or any other of the six branches of this Order.

We are a Private (fraternal) Chivalric and a Charitable Order. A 501(c)3 and a Public Charity 509(a)2 registered with the Internal Revenue Code of the USA, incorporated in the State of California, since 2003, recognized by six churches with members in 23 countries.
