

Up Coming Events

August 18, 2013 Worldwide Feast of St Helen Activities

The priory of Southern California announces an upcoming special event commemorating the Feast of St Helen. To be held on Sunday, August 18, the luncheon will be staged at The El Adobe de Capistrano in San Juan Capistrano. We understand that many Los Angeles area members are planning to travel to the event. There will be an organized walking tour of the famous area as well.

Some members of the Pacific Northwest Priory will be serving a morning meal to the homeless in downtown Portland as an act of chivalry. Following the morning activities, all members of the Order are invited to meet for lunch at the Jubitz family farm followed by barn, pen and fence repairs.
