205 Washington Avenue, Suite 509
Santa Monica, CA 90403

Dear Dr. Fisher:

It is my distinct pleasure to advise you that your amazing lifetime achievements – both professional and personal – have resulted in your nomination to be invested as a knight in the Imperial and Charitable Order of Constantine the Great.

Following the protocol of our Order, your name was recommended to members of our Grand Council, and upon investiture, you will be granted the title and position of Knight in our Imperial and Charitable Order. The committee's unanimous decision was based upon your lifetime of selfless service.

Our International branch of this ancient and august Order of Chivalry relates its history to October 28, 312, when Constantine the Great challenged and defeated the forces of Roman Emperor Maxentius, thus enabling Christianity to be practiced and to flourish without fear of reprisal.

In hopes that you would enjoy the unique opportunity to be formally invested into our Order during the regal and prestigious ceremony at our upcoming Northern European Investiture in Helsinki, Finland, I hereby extend my personal invitation to you. This very special formal event will take place on February 8, 2014, and shall be followed by a reception and banquet at a delightful Helsinki location. I also invite you to be our guest at a private luncheon hosted by me with the leadership of our Order during your visit. There would also be the additional opportunity for you to travel to other fascinating nearby destinations such as Tallin, Estonia, Stockholm, Sweden, Copenhagen, Denmark and/or Imperial Russia's St. Petersburg during your visit to the Baltic region.

My sincere congratulations, Doctor Fisher, on your selection for this unique honor. I look forward to personally welcoming you into our Order in the immediate future.

Yours in Chivalry,

Michael Teilmann, KGCI
Duke of Aswan, Count of Esson
Grand Prior General
